for

Procurement of Metrology Equipment and Services

List of annexes

- Annex I - Expression of Interest
- Annex II - Technical Summary ref. AKFGNE v1.0 dated 21 March 2021

1 Introduction

This Prior Indicative Notice (PIN) is the first step of an Open Tender Procurement Process leading to the award and execution of a Framework Contract

The purpose of this document is to provide a basic summary of the technical content in terms of the scope of work, and the tendering process

2 Background

The ITER project is an international research and development project jointly funded by its seven Members being the European Union (represented by EURATOM), Japan, the People's Republic of China, India, the Republic of Korea, the Russian Federation and the USA. ITER is being constructed in Europe at St. Paul-Lez-Durance in southern France, which is also the location of the headquarters (HQ) of the ITER Organization (IO).

For a complete description of the ITER Project, covering both organizational and technical aspects of the Project, visit www.iter.org

After 10 working days of the publication of the PIN, the Request for Proposals (RFP) will be
